ABOUT MN ADULT & TEEN CHALLENGE

Mn Adult & Teen Challenge (MnTC) is a drug and alcohol treatment and recovery program that has been in operation since 1983. We serve people ages 13-74 years with 14 locations throughout the state with a full range of services including long-term recovery and short-term intensive treatment programs. Additionally, our Know the Truth™ Prevention Program speaks in more than 160 high schools and middle schools across the state, sharing personal stories of addiction with students to help prevent substance use.

Event Format and Schedule

SATURDAY, JUNE 3

BASS DIVISION

Weigh three largemouth bass

WALLEYE DIVISION

Sponsored by Navillus Land Company

Weigh-in Scales Open at 1 p.m.

On shore, you will find plenty of great conversation with other anglers, excitement of watching the weigh-in, and enjoy listening to songs of hope from the MnTC men's choir.

Thousands of dollars in prizes will be awarded to top anglers from the incredible prize tent! Many other awards will also be presented at the end of the day on Cragun's beach.

Prizes and Awards

Division Prizes

The top 10 teams in each division (50 teams!) will be entitled to a trip through the prize tent for your team with a combined team prize valued at a minimum of \$100 each. Nearly \$20,000 in prizes will be available including rods, reels, tackle, trolling motors, guided fishing trips, gear and much more.

Additional Fishing Prizes

- **Sea Foam Second Chance Awards** – Ten teams with fish but not placing in the top 10 of their division, (total 20 individual winners) will win a case of Sea Foam Marine Pro Motor Treatment. Anglers must be present during the drawing to win!
- **McDonald’s Biggest Bass Award** – The winning team will receive a plaque and a giant Rapala lure autographed by the staff of Lindner Media.
- **Woods to Water Real Estate Biggest Walleye Award**– A plaque and a giant Rapala lure autographed by the staff of Lindner Media will be awarded to the winner.
- **Beaudry Oil Ugliest Fish Award** – The winning team will receive a plaque and bragging rights!
- **Sea Foam Scholarship** – The top three ranked student teams will receive two \$500 college scholarships. It doesn’t matter what division and student team does not have to be in the top ten of the division. For example, winners could be 5th place in the walleye division, 7th in the mixed bag, and 10th in the bass division.

Team Recruitment Award

Help us fill the event to the 150-team limit again this year. Last year we raised over \$500,000 and with your help we can reach our goal of going even higher. **Each team that recruits a new team will be entered in a drawing to win a \$1,000 Fleet Farm shopping spree!** New teams consist of both partners who have not fished the event previously. You get one entry for each new team you sign up! You must be listed as the team who invited them on their entry form to get credit for it.

Early Bird Awards

Enter now and start your fundraising right away! Five teams who register by April 1 will be eligible for Early Bird prizes including AquaVu cameras, or fishing gear. One winning team will win complimentary lodging for six people (Wednesday before the MN Fishing Challenge through Saturday, June 3) at Sandy Beach Resort on Gull Lake’s west shoreline. Both team members must be registered to qualify for these Early Bird prizes.

PRIZE DONATIONS

We’re always looking for people to donate great prizes for our event! Do you know someone who manufactures or sells outdoor equipment? Do you know a business who has access to hunting or fishing supplies, or someone who owns a dealership that might donate something large or small? Do you know a resort owner who would donate a resort stay?

If you have any connections, please contact Bernie Barringer, Tournament Director, at 218.820.8459 or Bernie.Barringer@mntc.org.

Cast Your Line and Win Fundraising Awards!

Every dollar raised in this fundraising tournament helps bring hope and healing to so many struggling to find freedom from addiction. Each team is asked to set a suggested minimum goal of raising \$500. The top three teams will win fishing trips with Al Lindner, Steve Pennaz, or Walleye Dan Eigen! The prizes below are cumulative for each level raised.

Fundraising Ideas & Resources

We want to help you with your efforts to support MnTC with some great fundraising resources! The following pages will give you helpful tips and break down ways to utilize your own network of contacts to meet your fundraising goal and get you one step closer to winning some amazing prizes. All donations made to Mn Adult & Teen Challenge are 100% tax deductible. Looking for more fundraising tips? Visit our angler resources page at fishingchallenge.org/angler-resources/

Contact family, friends and businesses with a phone call or in person.

Did you know that the best way to get your friends, family, or employer to support you is to just ask them? Don't be afraid. Most often people want to support us if they know what is important to us.

Here's an easy conversation starter... "Hey, I'm so excited about a great fishing tournament that I'm fishing in on Gull Lake in June. It is a fundraiser for Mn Adult & Teen Challenge. They are an addiction recovery program that has great success at changing lives and offering hope to men and women stuck in addiction. Would you be interested in sponsoring me? I have a goal to raise at least \$500 (or \$1,460, or \$3,000)."

Don't forget to ask your employer or other corporate donors like your insurance guy, your auto mechanic, or the local realtor. Some may do it for publicity but many will donate just for goodwill and support of MnTC. (See page 8 to learn more about incentives for corporate donors.)

- ★ We've included an envelope and chart in this registration confirmation packet that will help keep track of donations. This envelope and money must be turned in at the Rules Dinner (or preferably mailed sooner) in order to be counted toward your team fundraising goal.

PAST LUND BOAT WINNER

Congratulations to 2022 Lund boat winners Robert Evelsizer and Neil Erickson (Team Border Boys). They have worked hard with their fundraising efforts for many years and 2022 was their winning year!

Sell raffle tickets

Selling raffle tickets is the easiest method for some people to sell (and donate) to our Fishing Challenge fundraiser. Some amazing raffle prizes are available again this year, items of interest to anglers and non-fishermen. Wouldn't you love to spend a few days in a houseboat with a handful of friends? Fishing or not, this prize ranks in high demand among our past donors.

- Teams may sell raffle tickets up until the end of the Rules Dinner on Friday, June 2 to be included in the drawing.
- Raffle prizes will be drawn on Saturday, June 3 after the weigh-in. You need not be present to win.
- The TEN great items shown on the raffle poster will be included in the raffle. (See page 10)
- Tickets are \$20 each. Buyers must be 18 or older to purchase.
- Raffle ticket purchases are NOT tax deductible.

- ★ Raffle ticket sales count towards your \$500 fundraising prize boat entry and other levels of your fundraising goal. Sell only 25 tickets and get a ticket in the drawing for the boat!

Share a video about MnTC with friends, family and business contacts.

On the event website, fishingchallenge.org, there are two different videos:

DONOR VIDEO: Filled with hard-hitting stories from the tournament, this video explains why people should donate to Mn Adult & Teen Challenge. It's short and to the point so it is designed to show at your church, fishing club, civic organizations, and to any potential donors. Located on event homepage.

CORPORATE DONOR VIDEO: This video is a little longer and designed to appeal to companies, businesses and potential corporate donors. Hover over "Sponsors" on the top navigation and click "Sponsorship Opportunities" to find this video.

Feel free to request these video links through e-mail or a flash drive to share with your church or friends through email or your Facebook account. These are available at no cost to you.

Direct your contacts to the Minnesota Fishing Challenge Facebook page (@mnfishingchallenge). There they can see the videos and see the constantly updated photos and information.

- ★ April 30 is designated as "Show the Fishing Challenge Video at Church" Sunday. Across the state, the Sunday before fishing opener is the perfect Sunday to ask your church to support your team. Showing the video is a great resource to start that conversation.

Fundraising Ideas & Resources

Fundraise via e-mail, social media and other online platforms.

In order to fundraise online, you will need to set up a giving page. Follow the easy steps below:

If you registered online: When registering online, you were asked to create a username and password. This is your log-in information needed to work with your online donation page.

If you registered by mail: Once your registration arrived, an online fundraising page was created in your team's name. If you provided an email address on your registration form you should have received an email with a direct link to the participant center and your online fundraising page.

Follow these steps to get started:

- #1: Check your email for a direct link to your fundraising page.
- #2: Walk through each of the tabs on this page to update each of these sections: Overview, Story, Donations, Emails, and Details.
- #3: Click around on this page for many other ways to access and/or update your page.

Customize your fundraising page, and check your progress anytime.

- #1: Go to fishingchallenge.org
- #2: Click on the "register now" page and go to the upper right corner and click on the "Go To" dropdown list.
- #3: You can choose either your personal page or your team page from this dropdown list.
- #4: You can send links to your page with the little gray envelope, or you can use the resources through the "manage" button in the top right corner. You will want to connect with potential donors and send thank you notes often.

If you have any questions when setting up your giving page, call Sue at 218.833.8753 or email Sue.VanHal@mntc.org for help with this process.

DONOR HONOR ROLL

When you are raising money, keep in mind that anyone (business or individual) who donates at a higher level will be listed on our Donor Honor Roll. There are four levels that will be recognized:

CHAMPION LEVEL	HOPE LEVEL	FREEDOM LEVEL	PEACE LEVEL
\$2,500	\$1,000	\$750	\$500

Donors at each of these levels will be listed on the Donor Honor Roll that will be printed in the event program, distributed at the Rules Dinner. Donors can opt to remain anonymous. Money must be received in the MnTC office by May 25 to be included in the event program.

Call 218.833.8752 with any questions.

2023 Student Angler Teams Rules and Regulations

- Age requirement: Any team wishing to enter the student division must have two anglers who are 2023 high school graduates or younger. Anglers may be 18 years old if they are recent graduates, but all student division boats must include one additional person in the boat who serves as the adult boat captain.
- The primary responsibility of the boat captain is operation of the boat and oversee the safety of the students, but does not fish. The captain can net fish but cannot handle the fish. Only the students can fish and bring fish to the scale. Boat captains will be responsible to know and understand the rules and ensure they are followed.
- Student anglers will compete in the tournament along with the main body of anglers. We will not be using an app to register fish. Student teams can enter any of the five divisions.
- Student anglers will bring their fish to the weigh-in and go through the prize tent if they finish in the top 10 of the division they enter.
- The top three student angler teams will be awarded \$1,000 in college scholarships from Sea Foam, \$500 per team member. This award will be given to the top 3 teams overall and is not limited to one division. (Example: we could have a 3rd place in bass, a 5th place in walleye and a 7th place in panfish.) Ties will be broken by the flip of a coin.
